- Our Loan Comparator tool can now be custom-branded with your logo, personalized for your borrowers, and hosted on its own site or embedded as a widget—thanks to our partnership with LenderHomePage.

The screenshot displays a web browser window with a custom-branded URL: <https://www.yourcompanyname-heloc.com/mortgage-calculators/?calc=advancer>. The page features a header with the company logo, navigation links (Home, What is Equity Advancer, Calculator, FAQ, Contact), and an "Apply Now" button. The main content area is titled "Our Calculator" and includes a "Loan Comparator" section with input fields for "Setup", "Deposits" (\$20,000/mo), and "Itemized Spending" (\$13,462/mo). Below these are two side-by-side loan comparison cards: "Equity Advancer Loan" and "Comparison Loan". Each card shows a bar chart comparing Principal and Interest, a payoff period (9 years vs 30 years), and a summary of total principal, interest, payments, and expenses. At the bottom, a "Paydown Summary" table compares the two loans across various metrics like interest-only payments, average principal reduction, and break-even rates.
