Thank you for your help and support of your FL State Captains.

We have so much work to do and need all hands on deck!

The urgent goals right now:

- Speak to Property Appraisers in each county to get:
 - Support letters by email
 - List of Objections
- Letters to all State lawmakers in each district for support when the bill is introduced
- Information about the timing of the bill
- Florida Legislative calendar
- Excel CSV file of all Lawmakers emails by district and Property Appraisers with full name and email address
- Name of the Lobbyist for the FL Department of Revenue, if there is one
- Once FUSE is over, we can get the list of all Property Appraisers and Lawmakers with their emails for ease to get the public to help us get these emails out.
