I want to express my deepest gratitude for the tireless efforts the Sharp Mortgage team has put forth in helping me realize my dream of home ownership.

Navigating the mortgage process was quite challenging for me, especially due to my difficulty in providing appropriate and accurate documentation. However, the Sharpe Mortgage team's dedication made all the difference. A special thank you goes out to Jen, the processor, who worked diligently on the details and guided me through a process that was completely foreign to me. She is truly a gem!

Additionally, I would like to extend my sincere appreciation to Julia and Bill for their guidance and for addressing the challenging questions I had along the way. Their support was invaluable.

I highly recommend Sharp Mortgage for their attentiveness and commitment to helping clients succeed. Thanks to their efforts, I am now a proud homeowner!

Sharpe Mortgages were amazing to work with and I'd recommend them to anyone I know looking to buy a home! They were quick and willing to go the extra mile to work with our constraints and timeline! Thanks for everything!

The team at Sharp are friendly, patient and willing to explain the "why" behind what is happening. Despite working in retail and odd hours they were willing to stay in contact with me and answer questions and request outside of normal business hours. The only surprises along the way were good ones; better rates and discounts I wasn't aware I would be getting.

We moved to Jacksonville 5 yrs ago our realtor at the time introduced us to Bill Sharp and his team...it can be extremely stressful when it comes to getting a mortgage, but Sharp Mortgage made the process then so smooth, they explained everything, kept us informed even if there was no more new news, they never made us feel "dumb" ...fast forward 5 years...time to do it again...oh and BTW, in between we received birthday cards, Thanksgiving cards, Christmas cards and Just Because cards, great reminders to have when you need to make that call again...this time it was a 3 way sell and buy and with an appraisal challenge... in the middle we had to reboot and they just kept me calm and in the loop...did it stop at closing?...No...they are very informative on what todo after you buy your home...You absolutely CANNOT go wrong with Bill Sharp and his staff...Ms B is one of a kind...didn't matter what size of question I had, she listened and got back with me...sorry Bill but there are no more plans of moving...but...???

Dealing with Bill Sharp has always been a great experience. I cant imagine there's anyone more knowledgeable about the housing and mortgage market then Mr. Sharp.

I applied to three different loan companies, Sharp, vysyar and quicken loans. Only Sharp responded to me and helped me throughout the whole way. Dont waste your time with the other guys. Just choose local and choose right the first time around. Thank you Lisa. Thank you Bill

As a new Agent in Florida every decision is an adventure. I overheard an older gentleman at The King and Bear telling about his problems with banks and mortgage companies. I told him about Sharp Mort. and suggested he give them a call. He was back to me in less than a week. He could not thank me enough, for the recommendation. He is now a Sharp Client and very happy. ME TOO.

This company was very trustworthy, timely, and dedicated to making sure my mortgage got done fast and accurately. They took the time to shop rates and get me the best possible deal on purchasing my first home. My parents also purchase with them and had another amazing experience! I can't recommend this company enough!
