Innovative Tools And Support

We are reshaping the future of mortgage lending with cutting-edge technology and a passion for excellence. Our mission is clear: simplify the mortgage process through innovative solutions, ensuring a seamless experience for both our clients and our team.

CUTTING-EDGE TOOLS

We provide our team with innovative technology and tools to streamline the loan process and enhance productivity. Our platform is designed to simplify your work and help you close deals more efficiently. Our in-house operations ensure that everything is done internally, providing you with a seamless and efficient workflow.

- **Focus on Your Strengths:** With our advanced technology, focus more on client interaction and sales, and less on the paperwork.
- **User-Friendly System:** Engage with our intuitive, user-friendly system designed to make administrative tasks a breeze.
- **Reduced Paperwork:** Say goodbye to tedious paperwork and filing, thanks to our state-of-the-art digital solutions.

INNOVATIVE AI UNDERWRITING

Our revolutionary AI-powered underwriting system is setting a new standard in the mortgage industry.

- **Accuracy and Speed:** Experience unparalleled accuracy and speed, as our AI system streamlines the approval process like never before.
- **Customized Risk Assessment:** Benefit from our AI's ability to perform a more nuanced and personalized risk assessment, ensuring fair and precise decision-making.
- **Improved Customer Experience:** Enjoy a seamless, hassle-free mortgage process, enhancing the overall customer experience.

TAILORED SOLUTIONS

We believe in personalized mortgage solutions, tailoring our services to fit the unique needs of each client.

In-House Operations: The GFS Advantage

COMPLETE IN-HOUSE PROCESSING

Unlike many competitors, we handle all our operations in-house. From processing to underwriting, everything is done under our watchful eye, ensuring accuracy, speed, and reliability.

ALWAYS IN THE LOOP

With our in-house team, you're always informed. We provide regular updates on loan status, so you're never in the dark about your client's mortgage progress.

MARKETING SUPPORT

Enhance your outreach and attract more clients with our comprehensive marketing support. We offer co-branded flyers, targeted digital campaigns, and customized strategies designed to showcase your expertise and services. Our dedicated team collaborates with you to create compelling materials that effectively highlight your value to potential borrowers and partners.

QUALITY CONTROL

In-house processing means tighter quality control, fewer errors, and a smoother, more efficient path to closing.

Finding Your *Perfect* Home Loan

CONVENTIONAL LOANS

- Flexible Down Payment Options: As low as 3% down, making homeownership more accessible.
- Variety of Terms: Offers a range of terms, allowing customization to fit different financial situations.

FHA LOANS

- Low Down Payment Requirement: Minimum 3.5% down payment makes it accessible for many buyers.
- Flexible Credit Requirements: Available to those with lower credit scores.
- Higher Debt-to-Income Ratios Allowed: Offers more access for borrowers with higher levels of debt.

USDA LOANS

- No Down Payment Required: USDA loans offer 100% financing, meaning eligible buyers can purchase a home with zero down payment.
- Low Interest Rates: These loans typically come with competitive interest rates, making monthly payments more affordable.
- Flexible Credit Requirements: USDA loans have more lenient credit score requirements compared to conventional loans, making homeownership accessible to more people.

JUMBO LOANS

- Higher Loan Amounts: Finance properties exceeding conforming loan limits.
- Competitive Rates: Access attractive interest rates for larger loans.
- Flexible Terms: Choose from various term options to suit your needs.

VA LOANS

- No Down Payment Required: Ideal for those seeking to buy a home without a significant upfront financial burden.
- No Private Mortgage Insurance (PMI): Reduces monthly mortgage costs, as PMI is not required.
- Competitive Interest Rates: Typically offers lower rates compared to conventional loans, saving money over the loan's life.

NON-QM LOANS

- DSCR (Debt Service Coverage Ratio) Loans:
 - Property Income-Based Qualification: These loans are approved based on the rental income of the property rather than the borrower's personal income.
- Foreign National Loans
 - Loans for Non-U.S. Residents: Designed for foreign nationals to purchase or invest in U.S. properties without requiring a U.S. credit history.
- ITIN (Individual Taxpayer Identification Number) Loans
 - Non-Citizen Mortgage Option: Allows individuals without Social Security numbers to secure home loans using their ITIN and alternative credit documentation.
- Bank Statement Loans
 - 12 month or 24 month average of bank statement deposits for income
